

The above picture appeared on the cover of the August 1990 edition of the SDA Ministry Magazine. Also a much larger copy of the picture was made available for sale, to those who wanted one. This painting is claimed to represent the Second Coming of Christ to this planet according to the Bible Scriptures and also the Spirit of Prophecy writings. This claim could not be further from the truth as any Bible student would be aware! The Ministry Magazine is an official publication of the Seventh Day Adventist Conference, which has been widely sent to ministers of other religions as well as SDAs, to keep them informed regarding what SDAs believe.
